JAPANESE STYLE BEER

SORACHI ACE

It's very, very ugly for us to say so, but it's brutal. Smooth and mellow, with a very interesting aroma of tea mixed with the freshness of mandarin. In the mouth it brings hints of vanilla, cream and citrus. NICOTTO is a Japanese Style Beer, a beer brewed with Sorachi, a Japanese hop, jasmine green tea and mandarin peel.

SR LOBO
A DARK BEER WITH CHOCO & ORANGE

It is our stout with lactose, which gives it a smoother and sweeter character, but without being cloying, a round beer.

Its appearance is dark opaque black with reddish tones, producing a consistent and long-lasting beige foam that leaves traces of Brussels lace on the walls of the glass.

On the nose it has an aroma of caramel, chocolate toffee and coffee with a refreshing hint of orange. The palate is sweet with notes of roasted malts mixed with cocoa and the freshness of orange.

Full bodied with a creamy texture accompanied by a very smooth and pleasant tingly medium carbonation.

DOUBLE IPA

MAGNUM, CENTENNIAL, CITRA & MOSAIC

A beer dominated by citrus, floral and tropical hop aromas from the Citra and Mosaic hops. The intense and complex hop flavour accompanied by a medium-high bitterness well balanced by the malts characterises it as an IPA. Pairs well with smoked meats, lamb and chicken. Fried foods and very fatty cheeses go perfectly with it.

IPA ALCHOL-FREE

MAGNUM, SIMCOE & MOSAIC

Golden colour with a persistent off-white head. Notable for its fruity citrus and floral aroma from the Simcoe and Mosaic hops. It has a pleasant moderate bitterness that predominates over the malt flavour. It has a smooth, medium-bodied mouthfeel. The finish is dry and the carbonation is moderate.
